SEASON TICKETS ON SALE NOW

BUYING a Wycombe Wanderers Season Ticket is a fantastic opportunity to declare your support and build success for the Blues, as well as experiencing an unparalleled live football experience.

The Chairboy's form this season has been outstanding commencing with a record 21 game unbeaten run. At the heart of the success is the spectacular brand of football that John Gorman and Steve Brown promote, particularly at home. Wycombe Wanderers fans have enjoyed lots of goals as well as improved facilities, which lead to an exceptional match day experience.

A big part of this experience is the atmosphere that the supporters create – becoming a 12th man can give the team that extra push for another win.

As ever fans can play their part by backing the Club in terms of Season Ticket sales – ensuring further great atmospheres for next year's

campaign. Buying your 2006/07 Season Ticket is the only way to guarantee and secure your seat for every Wycombe Wanderers home league game and with the current prices, package of benefits and the great football on offer, there's never been a better time to apply.

We are providing fantastic early purchase and renewal offers. Season Ticket prices will remain excellent value for money and if you purchase early you are guaranteed League Two prices regardless of promotion (as soon as promotion is secured prices increase). In an effort to reward our loyal supporters we are offering substantial discounts to all renewals in some cases as much as 15%!

What does all this mean? Well if you are a loyal Season Ticket holder, adult ticket prices start from less than £10 per match, which is a £7 saving on match day prices! Kids Season Tickets can be

purchased from just £10 for the whole season. All Season Ticket holders receive;

- o 5% clubshop discount
- o First priority for cup tickets
- o Free entry to reserve fixtures at Causeway Stadium
- o Guaranteed same seat for every game
- o Opportunity to purchase next year's Season Ticket at a reduced rate
- o Booklet of discount vouchers including more than £150 of value.

The aim is for the Wycombe Wanderers to reach the Championship within 5 years and this is one of the most exciting times to be a Wycombe Wanderers supporter. With the support of fans we can achieve our goals on and off the pitch much more quickly. Call 01494 441118 or complete the form on page 7 to buy your Season Ticket today!

Your Season Ticket 2006-2007 Key Highlights

We remain committed to making football affordable and accessible to all. This year the best possible prices are available to existing Season Ticket Holders, a move designed to recognise the loyalty of those who have regularly attended home matches and supported the club throughout the past few years.

TICKET BENEFITS

After consultation with supporters we are offering a 5% club shop discount to all season ticket holders in 2006/07 as well as the voucher book worth more than £150. Add these benefits to the existing benefits of free entry to all home league matches (with guaranteed same seat), free entry to all home reserve matches, first priority on cup tickets for home and away cup matches and an opportunity to purchase your 2007/08 season ticket at a reduced rate and there is no better time to buy your season ticket. Call 01494 441118 for more information.

RENEWING DISCOUNT

As a renewing season ticket holder you are entitled to a discount of up to 15% on the standard 2006/07 season ticket in any stand. The vast majority of season tickets have remained frozen and where there has been an increase it is minimal, therefore even without a discount the season ticket represents sensational value.

PRICES FOR LEAGUE 2

If you buy a season ticket before the final promotion places have been decided you will pay the League 2 season ticket price. If we achieve promotion you get all the normal season ticket benefits PLUS League One football all for League Two prices! This represents excellent value for money, but can only be guaranteed if you purchase early.

PRICES FOR LEAGUE 1

Prices for League One will come into effect if we achieve promotion. If you have already purchased your season ticket at League Two prices and we are promoted you will not have to make any additional payments.

STUDENTS, YOUNG ADULTS AND CHILDREN

Recruiting for the next generation of supporters remains a priority. We have ensured this through maintaining base season ticket and match day prices for all children under 16. Further to our assurance on children's ticket pricing we are also continuing our commitment to young adults (16-21 years) and students with significantly discounted season ticket and match day prices whilst still maintaining all the additional season ticket benefits. Supporters in these groups will need to produce appropriate identification to the ticket office to claim their discounted ticket.

PARK & RIDE

Once again in 2006/07 Wycombe will be running their free park and ride service from Stokenchurch and Cressex Cinema. We strongly advise all season ticket holders to take advantage of this service.

CHAIRMAN'S MESSAGE

SUCCESS that we have achieved this season has been down to a combination of great football, excellent vocal support, many hours put in by our football management team and staff, together with managing the changes that have been undertaken to the structure of the company.

The standard of football seen both at home and away has given everybody a real lift and enthusiasm for the future.

We are entering a challenging period over the way we manage the football club and working together with supporter trust groups has given the trust members, who represent you the supporters, a real opportunity to have an input on many issues, including the season ticket details which we are now publishing.

The new season will present an opportunity to reward loyalty to our season ticket holders as well as encouraging new supporters to buy into different opportunities. We trust you will help us reach our new target of 3,000 season ticket holders for the forthcoming season.

Coca-Cola League sponsorship will be entering the third year, the Football League has re-branded exceptionally well, media coverage and awareness of our league is very high on the football agenda and we are at the forefront of new ideas. Attendance at League games is increasing, so come and experience for yourself these changes and be part of a community club.

The feel good factor when the team is performing well is visible right from the support in the ground to our stakeholder groups who contribute through sponsorship packages and we look forward to welcoming those companies back and engaging with new groups.

We need to be one team, all pulling in the same direction, taking advantage of the new offers and promotions. The real cost of watching football at Wycombe Wanderers, if you take advantage of the offers will, we believe, be very reasonable and help prepare us for a good start.

Our promise to you is to try and provide an entertaining experience when you visit us from the time you enter the ground to the time you leave.

In the close season, subject to planning consent, we hope to start building a new shop and ticket office and remove the temporary building. The World Cup will be in full flow, what a great start for a new football season, especially if England were to do well.

Enjoy your summer and come back and see us in large numbers and bring that great vocal support.

Nor I. Beeks
Chairman

MANAGING DIRECTOR'S MESSAGE

First of all I would like to thank all of our fans who have supported us in 2005/06. Your support is extremely valuable to us and I do not underestimate the commitment that you make. I sincerely hope that you will stay with us next season.

This document will give you details of the new pricing for the 2006/07 season ticket package and I urge all of you to consider investing in one. There are many benefits and prices start as low as the equivalent of £9.35 for an adult and just £10 for the whole season for an under 7 year old child which I am sure you agree is great value. If you are already committed to buying a season ticket, I would encourage you to spread the word and persuade as many people as possible to get involved at this exciting time.

This time last year, we were saying that 'Things are Changing', I hope that you have noticed that they have.

We have invested in new staff to help us deliver a more professional service and help to improve the service on matchdays. Function rooms have been revamped with many new plasma TVs and our newly refurbished sports bar - Scores is proving to be a massive hit on match days all of which improve your match day experience.

There have also been many changes on the football side with considerable investment in new players and redevelopment of the training ground. This has helped us to achieve our amazing start to the season including a record unbeaten run of 21 games.

Youth development will continue to play an important role within the Club and we are looking at ways to fund a new indoor training facility.

We will continue to build links in the Community through more initiatives such as the 'Sevens' scheme where we gave away home shirts to all of the 7 year olds in the area. Our Community Day for the game against Torquay in March this year attracted an extra 2,000 children.

On the commercial side we are committed to improve the relationships with our partners and we are continuing to make improvements to the Conference Centre so that we have a significant non matchday source of revenue. All of which will help us to increase the investment in the team and again I would appeal to you to consider our facilities when booking a function.

Finally, we are always looking at ways to improve communication and understand supporter needs more closely, however we can only achieve this through feedback and receiving your updated contact details as they change. Please support our requirements for your contact information when you next buy tickets.

I feel that there has never been a more exciting time to be a Wycombe Wanderers fan. Please continue to support us, buy a season ticket and bring along your friends and family. If we all think and believe as one, we can achieve our aims much more quickly. Enjoy your summer break and see you next season!

COMMUNITY NEWS

The Blues' Football in the Community programme is one of Wycombe Wanderers lesser known achievements, but perhaps one of their most important. Established to give children of all ages and all abilities access to professional football coaching, 'Football in the Community' at Wycombe Wanderers Football Club is the largest and most successful scheme of its kind in the South West of England. Despite the fact that there are bigger football clubs, Wycombe prides itself on the success and size of its community scheme and takes an active interest in the wellbeing of local children. The scheme reaches approximately 50,000 children in the region every year, in the form of free football coaching at primary and secondary level, after school clubs, day trips, birthday parties, and holiday coaching courses. Working closely with the staff and players at Wycombe Wanderers Football Club, along with Wycombe District Council, Buckinghamshire County Council, Chiltern District Council and the Local Education Authority, the community scheme has grown from two members of staff to the present thirteen full time staff, alongside 60 coaches. The scheme also works with local police to help keep youngsters off the street.

120 primary schools are currently involved in the scheme, and we have recently managed to secure funding for sports coaches to teach in 30 local primary schools helping children develop in all sports. All coaches are qualified, police checked and qualified in first aid. After-school clubs, birthday parties, outings and holiday courses which are also run by the community scheme are a friendly and productive environment for youngsters, as well as being the perfect place to develop footballing stars of the future. Wycombe Wanderers are 100% behind their 'Football in the Community' scheme and players get personally involved in the scheme, encouraging and motivating young people to get involved in sport.

To get involved or for more information please call Dave Evans on 01494 472100

PK KIDS

It's not just grown-ups who want to support Wycombe Wanderers Football Club. The Wycombe Wanderers PK Kids Club (sponsored by local firm PK Inprint) now has over 600 young members. Membership is open to all children under the age of 16 years, and is free to season ticket holders. It costs just £15 for non-season ticket holders. Membership has doubled in the past 12 months, and looks set to rise by 100% by next year. And with so many activities and benefits of being a member of the PK Kids Club, it's easy to understand why. Members get a certificate of membership, and invitations to events such as Halloween parties and Christmas Pantomimes. PK Kids members also get the exciting chance to become a Wycombe Wanderers mascot. 150 children get this thrilling opportunity every season and in addition to two free tickets for their parents to watch their proud moment, mascots also get a new Wycombe Wanderers kit, get to train with the players and walk out onto the pitch on match day.

But that's not all - a PK Kids Marquee is set up at every home game this season where children can enjoy activities such as an inflatable table football, jugglers, face painting and can play games such as 'Beat the Goalie' and 'Speed Ball' where they can measure the speed they kick a ball.

PK Kids Club has never before conducted so many events and activities and together with all the other fantastic benefits and opportunities this is the perfect time to become a PK Kids Club member.

To become a member or for more information please contact the club on 01494 472100

All season ticket holders under the age of 16 will automatically receive FREE membership to the PK Kids Club. Benefits include:

- A Starter Pack including autograph sheet & collectable player cards
- An exclusive membership certificate & card
- 4 Newsletters per season
- Christmas Card signed by the players
- Open day to meet the staff & players
- Themed Matchdays
- Annual Parties
- Dedicated PK Kids page in every matchday programme
- Trips to other Football Stadiums
- Free trial session at a community Saturday Morning Club
- & The Chance to be a Matchday Mascot!!

NEWS

CHARITY OF THE YEAR

For the forthcoming season Wycombe Wanderers are seeking a partner to become their "Charity of the Year". The chosen charity will not receive direct financial support but help and support will be provided in other ways; providing players for guest appearances, using our facilities for fundraising events and raising the profile of the cause to the wider community.

Operations Manager Garry Adamson commented on the new scheme saying "It's a great opportunity for a charity to get involved with their local football club. We are proud of our links with the community and feel that charities could use this to their advantage. Of course we will not be able to give direct financial contributions but there are many other creative ways in which we can help out."

If you would like to apply to become Wycombe Wanderers official "Charity of the Year", please send us a written document on no more than one side of an A4 sheet detailing why you should be chosen. (please mark the envelope "Charity of the Year").

CLUB HONOUR UNBEATEN RUN

Wycombe Wanderers managing director, Steve Hayes recognised the teams fantastic unbeaten run at the start of this season by presenting manager John Gorman an award at a recent Gala Dinner. At the start of the 2005/06 season Gorman led his team to a phenomenal 21 games without a loss, exceeding that of Premiership giants Chelsea. Presenting the award Steve Hayes said "It's a fantastic achievement, a club record that will be hard to beat".

Q&A with John Gorman

Having coached England players, has it been hard to go back to basics in League Two?

I wouldn't say I've gone back to basics because I have players who have played at the highest level such as Tommy Mooney and Rob Lee and others who are striving to get there. Of course we had some special players when I was with the England set-up, but I've also been at lower League Clubs like Gillingham and Bristol City and have come across players who are special in their own right.

From all your days as a coach and manager, what is your fondest memory?

England's 0-0 in Rome to qualify for the 1998 World Cup finals stands out. There was a lot riding on the game and to go into that cauldron in Rome and come away with a result was fantastic. Being Scottish, there was always plenty of banter from my friends back home, but I can safely say that I'm no longer an adopted Englishman, even though I'd like to see them do well this summer.

Is the Championship a realistic goal for Wycombe Wanderers?

Off the pitch we have a five-year plan set in place to reach that level and I'm confident we have the playing staff to get there. Smaller clubs than Wycombe, such as Swindon and Wimbledon have moved through to the Premiership, of course finances come into it more now, but Wigan got there on the back of some fantastic backing and they had similar crowds if not smaller crowds than us when they were in our division.

Who is the best player you've ever coached?

Glenn Hoddle was still playing at Swindon, so he was fantastic and also Alan Shearer with England. He was the consummate professional, a big influence off the pitch and his record in front of goal was fantastic. It doesn't surprise me to see him still playing.

How important is having a big crowd to the players?

The players definitely raise their game with the bigger crowds. All players love playing in front of their home crowds, particularly when they are playing well like our lads have been this season. We play an exciting brand of football so the crowds always get a great spectacle and our facilities are fantastic. Get your season ticket now and I look forward to seeing you at our home games during 2006/07!
